

## College Jumpstart

Providing the necessary supports and resources to empower Jefferson High School graduates to take the next step in their education toward the goal of completing that track and attaining a solid career

### Supports and Resources

- Scholarships
- Mentorship
- Job Placement
- Computer/Printer/Software
- Job Skill Education

### Fall Semester

- Jefferson Jr/Sr High counseling staff present support resources to seniors
- Seniors apply to enter the College Jumpstart program
- Counseling staff will find the student who are track to graduate and need extra support to college

### Spring Semester

- Counseling staff will work with student to discover which track is best for each student
- Counseling staff will work with partners to find individualized support resources like scholarships, jobs, shadowing opportunities
- Counseling staff will work with teachers and other staff to make sure students follow through on school work necessary to graduate
- Mock interview prep (1/25), mock interviews (2/1-2/2) and job fair on (5/3)
- Seniors will be paired with a mentor if they are enrolled in Goodwill's CareerPlus program

### College Transition in the Fall

- Red Rocks student mentors will follow up with College Jumpstart students just before fall semester starts to help with transition
- Students who enroll at other colleges will be paired with on-campus support organizations

### Incentives

- Students who enroll in college and attend the first three weeks of college will receive a computer, Microsoft Office and a printer
- Students will receive a Beyond Jeffco scholarship (COSI)
- Students will be paired with a job that encourages their educational goals

### Summer

- Graduates will be enrolled in College Jumpstart program with Red Rocks
- Students will be paired with a Red Rocks student mentor
- Students will receive assistance in enrolling in Red Rocks or another school if they haven't already
